

**Our Introductory 3-part Training Series** for Early Years Practitioners will be running again as Wednesday twilights during the Autumn term.

Training will be delivered by Claire Murray, programme creator, with examples of Emotion Works in Practice from Early Years settings from around the Emotion Works Community.

### Training Outcomes

By the end of this training series, attendees will...

- Have a good understanding of what is involved in delivering the 'Emotion Works Foundations' Programme
- Be familiar with the content & navigation of the Emotion Works Early Learning Launchpad
- Know what Emotion Works practice looks like in an Early Learning Setting
- Have a bank of learning activities to try linked to language & talking, and stories & songs
- Have started their own Practitioner Journey through the Bronze & Silver aspects of our Early Learning Setting Award
