

Embarking on our Emotion Works Primary School Journey @

Where are we now? Our starting points for our Emotion Works Primary School Journey

Consider your wider school community, your pupils, SLT, Teachers, support staff, other resources & programmes used to date

- What are our current challenges around emotional literacy, learning and wellbeing?
- What strengths and opportunities are in place to build on?

Where do we want to be?

- What broad goals do you have for emotional literacy, learning and wellbeing in your school?
- Do you have a vision for what success will look like in the long term?

- **Timescale** – use the guidance below to help you plan out a rough timescale for fully implementing Emotion Works, considering your own school context

BRONZE (3-4 months from now)	SILVER (a year from now)	GOLD (2 years from now)	PLATINUM (3 years from now)
